Dear Evgeny Petrovich Kharin,

I am writing to congratulate you as being awarded with the **IAGA Long Service Medal**, medal which honors outstanding long term service to the IAGA community in technical or managerial positions. This award aims to recognise your efforts in the collection, storing and distribution of data on solar-terrestrial physics, compilation and maintenance of archives, data series and databases, in the World Data Center for Solar-Terrestrial Physics (WDC for STP), Moscow.

The ceremony will take place during the IAGA the XII^h Scientific Assembly which will be held in Mérida Yucatán, Mexico, from August 26 to 31, 2013.

I wish you a joyous event, and much success in the years to come.

With my warmest personal regards,

A handwritten signature in blue ink, appearing to read 'Manda', is positioned above the typed name of the Secretary General.
